CALLAN CONCEDES, TELLS COUNCIL HE'LL COMPLY ON EDGEMAR ROAD

EXPLAINS BENEFITS

Chamber Now Backs Sales Tax

Daly City Chamber of Commerce today joined the growing list of community leaders and public-spirited organizations supporting a municipal penny sales tax.

"In the beginning, the chamber opposed the method of levying the tax," Chamber Manager Peter Markovich explained. "We thought it was an issue for the public to decide. Now the public is getting that chance. Besides, the city council has lived up to its promise to reduce property taxes and set aside money for needed public improvements.

"Then again, it has been indicated that regardless how the city votes, the county, under the Bradley Burns Act, will add an additional 1-cent tax if a majority of the cities favor the measure. If this takes place, we will receive a smaller portion of the tax collected in this area," added Markovich.

Voters will express their opinion on the tax, approved a year ago by 3-2 council vote, at a special election May 19.

Councilmen Joseph Verducci and Frank Pacelli are heading a large citizens committee that has volunteered to support the measure.

They are conducting a campaign that will reach every homeowner to tell why the tax should be retained, and why the public should vote "NO" on its repeal.

The committee, according to its chairmen, is supporting the measure for two major reasons:

1. The sales tax makes possible a reduction in the property tax. (Last year 58 cents was lopped off each $100 valuation, saving the average homeowner $25 on his tax bill.)

2. The sales tax provides revenues for urgently needed public improvements—such as better fire and police protection, an expanded water system and improved library facilities.

An estimated $350,000 was collected last year through the sales tax. Of this amount, half went toward reducing the property tax. The other half went into a special fund for capital improvements.

Committee members believe a sales tax is the quickest and most economical means of raising revenue. In addition, a sales tax is a fair tax because it requires non-residents to help share the cost of municipal benefits they enjoy, Verducci said, and it falls most lightly on the small wage earner.

A local sales tax, now in effect in 90 per cent of California's cities, was approved by three councilmen after an exhaustive study by them.

After a year of operating with it, the new council ma-

VANDALS CLOBBER CALLAN BUILDING: DAMAGE—$1000

Breakage of five eight-inch plate glass windows and the theft of a 50-foot hose is claimed to have cost the Callan Realty Company $1000.

Sometime between Saturday and Monday vandals caused the damages to an apartment building under construction at 90th and Sullivan streets which is owned by Michael C. Callan.

When Officer John Van Otten talked to him, he reports that Callan said he would make out a claim to his insurance company for $1000. Van Otten then recommended that Callan "hire someone over the weekend to watch these buildings."

Cleaning Woman Sought In $2000 Jewel Theft Here

Theft of nearly $2000 in jewelry may have been committed by a cleaning woman hired through the want ad column of a San Francisco newspaper.

Marlene Ruth Barde, 901 Maddux drive, reported to Daly City police that sometime last Thursday or Friday five precious items were taken from her jewel box on a dresser top in her bedroom.

They include a specially constructed platinum wedding ring with five hand tooled bouquets which is valued at $400, and a white platinum engagement ring with a center stone and eight bouquets, estimated to be worth $1000.

Also taken was a pair of gold earrings with cultured pearls valued at $150, a woman's wrist watch, value unknown, and a woman's bracelet with a cultured pearl charm which represents a loss of $150.

According to Mrs. Barde, the cleaning woman came to her house on Thursday, spent the night and then left unexpectedly Friday.

She went without taking her suitcase or collecting her pay and has not shown up again since.

Officer James Sunderland investigated and found no evidence of any forced entry nor could his questioning produce the likelihood of there having been other suspects.

His attempts to locate or identify the cleaning woman have so far been unsuccessful.

PSYCHIATRISTS TRY TO LEARN PENNY'S MOTIVE

Penny Bjorkland's lawyer was granted a two-week continuance Monday by Superior Judge Frank Blum to allow the urge slayer's counsel more time to examine the defendant and pry for her "untold" reasons in killing August Norry.

Attorney Joseph A. Murray virtually told Blum that the 18-year-old Daly City blonde has him stymied. The defense counsel on one hand declared he wasn't sure Penny actually committed the crime, and on the other said she may have done it while under the influence of medicinal narcotics.

Murray will have two psychiatrists probe the girl's inner thoughts before she returns to Blum's court on May 18.

Miss Bjorkland may have a few more details to disclose. Meanwhile, her behavior continues to keep authorities wondering about her mental status.

The young typist has yet to explain "an incident" which happened five years ago. This may be revealed very soon.

FOUR of five candidates for Jefferson Elementary School District trustee line up for the lensman. From left are Donald Lesher, incumbent Joseph Lewkowitz, John Evangelisti and Wayne Douglas. Fifth hopeful is Marvin Nathan. Two seats are at stake on May 19.

TRUSTEE, SALES TAX ISSUES

Record Response By Voters Here May 19?

Crowded polls are expected for the Jefferson Elementary District school trustee election on May 19 when 16,733 persons will be eligible to ballot, and in the high school district race where 25,357 voters are registered.

These people will select three winners from a field of eight candidates. In the elementary district there are five hopefuls in contention for two board seats, while the high school has three contenders for one post.

Up for re-election in the JESD is chairman Joseph Lewkowitz who is teamed with Donald Lesher against the Serve-Our-Schools committee-backed O. Wayne Douglas and Marvin Nathan, plus the independent, John Evangelisti Jr.

Rev. Fred L. Fanthorpe, James M. Cooper and Joseph P. Schultz are battling it out in the high school race.

Tantamount issue going before voters on May 19 is Daly City sales tax. There are 14,182 voters from 15 consolidated precincts who are eligible to decide on whether or not the tax will be continued here.

These sales tax precincts are all contained within the Jefferson Elementary district which has a total of 18 precincts, three of which are located outside the city. The high school vote will be drawn from 30 precincts.

Council Accepts Police Code, Scavenger Pact

The city council last week adopted by ordinance City Attorney Paul Hupf's new streamlined police code and accepted the deed to seal a long-range agreement with DC Scavenger Company on its municipal dump site at Mussel Rock.

Councilmen referred bids on the new city garage, signals at South Mayfair-Lake Merced in Westlake, and for street resurfacing to the administrative staff for recommendations next Monday night.

In other matters, the council by 5-0 vote approved Doelger's tentative map on Westlake Unit 10-C, notified legislative representatives of city support on three new bills aiding in narcotics arrests, approved application of Westlake Southern Baptist Church to move a former sales office and remodel it as a church, granted use permit to Elmer D. Lewis for dry cleaning agency at 901 Hanover street, and approved use permit for construction of Mormon Church at southeast corner of Hillside and Brunswick streets.

DRUNKEN YOUTH ARRESTED AT WESTLAKE BOWL

An 18-year-old juvenile was arrested for being drunk in Westlake Bowl Friday night.

Investigation by Officer Tom Culley showed that the boy purchased the intoxicating beverage on the strength of a falsified Selective Service card.

When brought to the station for booking, the youth attempted to flee and fell, suffering bruises and scratches on his hands, knees and face.

He was later turned over to Hillcrest Juvenile Home.

FINAL VERDICT ON RESERVOIR LOOMS MONDAY

Unit 9 Westlake residents who asked the city to switch its proposed sixth reservoir site will learn the results of soil tests on their "preferred" location when the council meets in regular session next Monday night. Starting time is 8 o'clock at 75 Wellington avenue.

The homeowners, led by Air Force Lt. Col. Rufus McCracken, want the big tank removed some 250 feet south-southwest of its adopted site—right across from their residences.

Councilmen, bemoaning the delay in building the reservoir (it was approved three years ago), granted the special soils test (costing $1500) as a last-ditch measure to appease the protestants.

The council informed the homeowners that if soil tests prove the new site is unsound, the city will go ahead on the present reservoir site, lowering it some three feet to guarantee additional safety.

McCracken says his group might take legal action to stop construction on the adopted site if the city fails to relocate the reservoir.

City Clerk Tells Filing Deadline On Personal Property

City Clerk Evelyn Mosman reminded residents today that the last Monday in May is final date for filing personal property tax statements.

Persons who have not received these forms through the mail may obtain them at the city clerk's office, city hall, 75 Wellington avenue.

Those claiming veteran's exemptions must bring their deeds and discharge certificates with them, Mrs. Mosman pointed out.

Again, the deadline is Monday, May 25.

MISSING when picture of all Jeff Elementary trustee candidates was taken, Marvin Nathan (above) rounds out five-man field for two vacancies. He is teamed with fellow Westlaker Wayne Douglas. Incumbent Joseph Lewkowitz and Don Lesher are running as a team, while John Evangelisti is entered as an independent.

May 25 Hearing On Street Vacations At Callan Apartments

Public hearing on vacations of portions of Gambetta and Wyandotte streets next to Callan Company's recently approved and loudly opposed apartment project has been set for the council chamber on Monday night, May 25.

April Building Back To Normal: Hits $986,563

Building permits issued by the Daly City Department of Public Works for the month of April totaled 97 and represented a value of $986,563, according to a report issued today by Otis Calhoun, director of the department.

He stated that 67 of the permits were for new dwellings and that these amounted to $900,015. Dwelling alteration requests numbered 17 and represented an expenditure of $4673.

One new duplex was approved which will cost $16,000. A $2700 church addition was also authorized.

Three commercial alterations, one for fire damage, amounted to $50,000. Six signs will be erected at a cost of $2500.

Permission to build one retaining wall at a cost of $4000 was also granted.

Calhoun remarked that last month's total permit valuation is about average here. Previous monthly totals were well over $1 million.

THE DUST SETTLES DOWN?

Builder Accepts First Agreement; School Board Acts 'Just In Case'

Builder Tom Callan Jr., prompted by city, school district and citizen pressure, Monday night verbally agreed to stick to his original commitment for realignment of old Edgemar road—first step in a long overdue move to complete Eastmoor avenue in front of St. Francis Heights subdivision.

His concession, which he said was made "even though it will cost us thousands of dollars and hinder our residential and shopping center plans," if finalized, would prevent further delays blocking construction of the M. Pauline Brown elementary school and calm the public uproar over incompletion of the key east-west street link—from Junipero Serra to Skyline.

Young Callan Monday night "guaranteed" the city council his firm would go along with its original realignment of Edgemar road (filed by tentative map last year). But the city still isn't sure Zita Corporation (McKeon Company) will see eye to eye with the Callans on the agreement and the school board still has its doubts. Asked when he thought his portion of the Eastmoor avenue would be completed via the realignment, Callan estimated "about 18 months."

Councilmen, however, feel that if the job isn't finished by the Callans by this fall, there will be more "fireworks."

Callan's "reversal" Monday night (deserting his plans for an alternate road to allow expansion of his shopping center in the 21-acre parcel off Eastmoor) was taken, he said, because of "public opinion."

"Our costs in realigning the road under the original agreement will be prohibitive. But it seems that anyone allegedly blocking or delaying a school is either classified as a Communist or an athiest."

"After all," he continued, "we have been in this area many years and we intend to stay in business here. From a public relations standpoint, we are ready to cooperate with the city."

Under his "final" agreement with the council, Callan says he will deliver a deed on the road easement to the city on condition the city vacates old

JEFFERSON HIGH HAUNTED BY A GRAVE QUESTION

A dead issue sprang to life Monday when Jefferson High School's front lawn posed a haunting question.

Grave officials there notified police that a tombstone with flowers lay in their yard.

Responding officers puzzled over whether they had a ghost of a chance to contact its owner.

Then it was decided that if this was a skeleton in Jeff's closet it must be hidden. Acting on a monumental decision, police carried the stone to their squad room.

They noted that the stone is inscribed "Henry Crochan Rodgers 1868-1951." Next, making no bones about their intentions, they contacted Colma's cemeteries in an attempt to dig up the monument's resting place.

However, they report, all of their leads have died so far. "But," they say, "this case is still alive."

POLICE WARN.... DON'T TRAVEL COAST HIGHWAY

Daly City police warned this week that a portion of old Coast Highway from Alemany to the city limits of Pacifica is not safe for vehicle travel and has been barricaded until further notice.

Chief Roland Petrocchi said that permanent gates at the north and south entrances to the Coast road will be installed as soon as possible, and until then temporary barriers will be in place to keep motorists from using the highway.

The police department has reported several recent instances in which persons have maliciously forced these temporary barricades aside and have entered the highway in violation of signs posted at each entrance. The chief warned that any unauthorized vehicle or driver found on the road will be cited immediately.

Family Feud: Woman Shoots Herself Twice

Mildred Lynch, 50, shot herself twice with a .22 caliber rifle on the back porch of her home at 565 Bellevue avenue following an alleged argument with her husband Friday night.

She was discovered and her suicide attempt averted when Tom Castro and her sister, Marjorie Rodgers, heard the gunfire and ran to overpower her from where they were sitting in the living room.

Castro tore the weapon from her hand, threw it under a bed and called police. Officer Frank Murray responded and found Mrs. Lynch in serious condition from loss of blood.

He stated she did not want treatment and had to be forced to go to Junipero Serra Hospital where it was found that a slug had torn through her shoulders and another through her left breast.

Mrs. Lynch was transferred to Community Hospital and a 72-hour hold order placed on her.

Hassle At Gino's Leads To Arrest Of SF Woman, 38

Unruly conduct in Gino's bar, 7123 Mission street, led to the arrest of 38-year-old Lorene Thorimbert, San Francisco, early Saturday morning.

Responding to a call from the bartender, Officer Ralph Warren found that the woman had become loud, argumentative and had smashed several glasses.

He attempted to send her home in a taxi, but when she resisted he called Sergeant Jack Walsh who finally was forced to book her.

She was released on $25 bail and is due in municipal court this Thursday.

State Approves School, Bismark Traffic Signals

State Highway Division officials in Sacramento this week notified the city council that their department has approved Daly City requests for traffic signals at the School and Bismark crossings on Mission, removal of the slippery railroad tracks and resurfacing of the busy street.

City Manager George Watts estimated that state funds for the projects should be available for work to begin late this year. The state and city will share cost of the signals by using gas tax funds.

The School street project has been sought by the city for a long time. Likewise the Bismark signals which would eliminate the risky-to-students crosswalk in front of Jefferson High School.

DC WILL HIRE 40 CITIZENS TO ASSIST IN CENSUS

Approximately 40 persons will be hired by the city to assist the U. S. Census Bureau with the special census in Daly City—scheduled to begin in about two weeks.

City Manager George Watts said the census will take approximately a week. It was authorized by the council in order to give Daly City more credit population-wise in the apportionment of state gas tax funds and other high-level reimbursements.

Estimate on current population is around 36,000.

REGISTRATION DETAILS

Kindergarten Signups For New Term Set Here May 13 At Nine Schools

Kindergarten registration for the 1959-60 school year will be held in 9 of the 13 Jefferson Elementary schools on Wednesday, May 13, from 9 a.m. to 3 p.m.

Registration for those whose last names begin with letters from "A" to "L" will be from 9 to 11:30 a.m. Last names beginning with letters "M" to "Z" will register from 1 to 3 p.m.

The following schools and boundaries have been determined for kindergarten registration but do not necessarily determine the school the child will attend next September: Vista Grande — South of Wellington to East Moltke and east of Mission to the hills; General Pershing — Northeast of Wellington to San Francisco boundary. Between San Jose and the mountains; Woodrow Wilson — Area bounded by the San Francisco line on the north, Junipero Serra boulevard on the west, the high school on the south, Thiers street on the south, Wellington avenue on the north. Colma Primary — East of Mission from Thiers to cemetery area. Jefferson — South of high school to South San Francisco area. East of Sweetwood to Mission; Garden Village — Broadmoor, Garden Village areas and St. Francis Heights. Westlake — All area east of shopping center and Junipero Serra, and area surrounding Westlake School; Olympia — Area close by Olympia School and area bounded by Skyline on the west, South Mayfair on the south, (including streets which run at right angle to South Mayfair between South Mayfair and Southgate) and Lake Merced boulevard on the east; Vista Mar — Westlake Highlands, Westlake Heights, Palisades and Westlake Knolls.

Parents do not have to bring children to school in order to register them but must bring a birth certificate, baptismal certificate, passport or affidavit to establish date of birth. Hospital certificates are not acceptable unless the child was born in a federal hospital.

THREE candidates for one three-year term as Jefferson High School trustee hail from different sections of the big district. Left to right are Fred Fanthorpe, Westlake; Joseph Schultz (foreground), east side of Daly City; and James Cooper, Sharp Park in Pacifica. Voters decide on May 19.

W'lake Olympia PTA Ends Term Thursday Night

Westlake-Olympia PTA will hold its last meeting of the year this Thursday, May 7, 7:30 p.m. at Olympia School.

Morris Liston, newly elected president of the organization, will be conducting his first meeting.

Charles A. Hice, director of the San Mateo County Junior Museum, will be the speaker. His topic will be "Family Recreation" and slides will be shown of interesting places in the area and various activities that families can do together.

The newly formed Olympia third and fourth grade glee club will be making its second appearance under the direction of Mrs. Patricia Hackett.

The flag salute will be led by boys from Scout Troop 63.

Marianne Jorgensen from Mrs. Patricia Mattson's third grade, will give the devotional.

Man Using Phone Sought In $85 Theft On Templeton

Suspicion of stealing $85 from the purse of Mrs. Mary Merino, 663 Templeton avenue, attaches to an acquaintance who stopped by her home last week to make a telephone call.

When Daly City police officer Charles Terry investigated the theft he learned that Mrs. Merino had permitted a young man whom her children know to enter her home and call a friend Wednesday afternoon.

She said that the visitor was left alone for a few minutes and that he allegedly took the money from her purse which was in view.

Police attempted to locate the man, only to find that it is believed he left the state with his common-law wife, a parolee, in what may have been a stolen automobile, according to the report.

Meredith Orloff Director With 'Family Service'

Mrs. Meredith Orloff, Colma, was recently appointed to a three-year term on the board of directors of the Family Service Agency of San Mateo county.

The appointment of Mrs. Orloff to serve this crusade-supported family counselling agency has drawn the attention of residents of Daly City to the unique services offered by the organization.

Now in its ninth year of operation, Family Service, with main offices in San Mateo, has a staff of five trained psychiatric social workers who counsel individuals and families having a wide variety of problems, including marital disharmony, parent-child difficulties, personality disturbances, mental illness and financial planning.

DC Chamber Changes Mind, Backs Sales Tax

jority decided to ask for a "straw vote" on the issue. Actually, the tax measure can be repealed only by the council itself, but Verducci said he and fellow councilmen want to "keep faith with the public."

"We believe developments of the past year have proved that the council acted wisely in adopting the sales tax," he added. "It has been the city's salvation—allowing us to set up a capital improvements fund for needed library, fire and police facilities, and at the same time reducing city property taxes."

The ballot proposition reads: "Shall Ords. Nos. 463 and 464 of the City of Daly City, which imposes a 1-cent sales and use tax in this city be repealed?"

Because of the unusual wording, voters will be asked to vote "No" to keep a measure that has been beneficial to the city, Verducci said. It is the only issue on the ballot.

Thieves Get Bar Supplies In $800 Raid On Whittier

Thieves took a gold plated bar set, a cocktail shaker, two bottles of scotch, one of bourbon, one of gin, one of liquer, a 14-pound ham, and other items from the home of Concha Ransom, 270 Whittier street, Wednesday last week.

Before leaving the premises, they apparently drank some milk and orange juice and had lunch. Then they ripped a drape from the window, bundled their loot in it and left by the front door.

Investigation by Daly City police officer Frank Murray showed that they entered the building by breaking a mailbox to open the tunnel entrance door, and next broke a kitchen window to get into the house.

Other items which they helped themselves to included shirts, three suits, a man's coat, two lighters, a camera, a radio, a dozen sheets and pillow cases, 2 electric shavers, a statue, a planter, skirt material, and bus tickets.

In all, the theft was valued at over $800. Murray could find no clue to the suspect's identity except for the testimony of a woman in the neighborhood who said she saw two curly-haired, dark-complexioned boys wandering on the street that morning.

Woman Attributes Broken Nose To Spat With Husband

Iris Moya was found wandering in a dazed condition on the streets in front of her home at 534 Skyline drive by Officer Al Nicolini Sunday morning.

She requested transportation to Junipero Serra Hospital where medical examination showed she had a broken nose.

Upon police questioning she claimed to have suffered the injury at the hands of her husband, Paul. The woman took a cab to Kaiser Hospital, San Francisco, for further treatment.

She said she will file a complaint against her husband later this week, police reported.

Prowler Scares Four Women On School Street

Fear gripped four women in an apartment house at 157 School street late Thursday night and early Friday morning due to a prowler who lurked in the garage there.

Mrs. Gladys Ann Byrne, an occupant of the premises, reported the man's mysterious activities to the police.

When officer Phillip LaBruzzo responded he found that two of the woman's neighbors, Beth Weaver and Barbara Wagner, both of 155 School street, were walking their dogs behind Mrs. Byrne's apartment when the animals excitedly reared up and were hissed at by a masculine voice from the garage.

Next, the women were frightened by the furtive movements of a tall shadow.

They then notified Mrs. Byrne of the incident. She told LaBruzzo that someone has tried opening her door recently on several occasions, always late at night.

She also said that she has been receiving strange telephone calls at odd hours of the day and night. When she answers, nothing but a "heavy breathing" comes from the other end.

LaBruzzo conducted a thorough search of the area with no results. When he left, all was quiet.

However, things did not stay that way. In the wee hours of the morning it is thought that the man returned.

Calls were received from both Mrs. Byrne and Rose Pesenti, who lives in the same house, reporting strange noises in the garage and that an intruder had tried both of their apartment doors.

Again LaBruzzo responded and searched the area with negative results.

Upon leaving, he instructed the women to notify the station immediately if the circumstances occurred again. They were cautioned not to attempt apprehension of the prowler themselves because such action might excite him to commit some serious act.

Auto Strikes Boy In Front Of His Home On Partridge

Complaining of pains in his side, six-year-old Ronald Wayner Goebel was taken to Junipero Serra Hospital from in front of his home at 43 Partridge lane after being struck by a car there Monday evening.

Three witnesses agreed with Ray Francesconi that he could not avoid the accident because the boy ran directly in front of his oncoming vehicle.

Due to these circumstances, no citations were issued by investigating Officer Charles Terry.

3 Youths Arrested At Serra Theater On Curfew Charge

Charges of curfew violation were brought against three boys, two 16 and one 15 years old, after they were found loitering and apparently under the influence of alcohol in front of the Serra theater Friday night.

Upon investigation by Daly City police it was found that their car, parked in the middle of the street, contained an emptied six-pack of beer.

The boys denied consuming the beverage, but alcohol could be smelled on their breath. They were booked and lectured by the police and later released to their parents.

Callan Concedes, Will Follow Edgemar Pact

Edgemar road and cooperates on the last link of the Eastmoor realignment by recommending a gradual grade, which, if approved, will reduce the heavy grading costs facing the Callans in meeting their agreement.

City Manager George Watts said the city "would continue to do everything possible" to expedite the road realignment and the school. The city will not, however, share in the cost of improvements on the Callan portion of Eastmoor, but will work with the builder in setting street grading specifications so that Callans' cost would be reduced.

Callan said regrading of his land under the agreement would amount to about $75,000, but the council felt this estimate a bit exaggerated.

Still challenging the elementary school district's facts on the school site complications, Callan maintains that the realignment he has agreed to a second time "is wrong and not good from the city's standpoint."

"Amount of traffic that will congest Eastmoor under this realignment will be dangerous," said Callan. "Also, we won't have the proper facilities for access to our commercial center."

Callan's attorney, Frank Rose, took exception to City Attorney Paul Hupf's firm opinion that Callan's realignment was specified in the builder's original maps and that Callan was committed to pay for all improvements. Callan still feels the realignment route was not cut and dried last fall when it was accepted by the council.

The city council has been unanimous in pressing Callan for an immediate settlement. Likewise the Jefferson Elementary School board, with the exception, of course, of trustee Michael Callan, Tom's brother, who missed the special meeting last Thursday and was absent from the trustees' showdown session Monday night.

Angered by the Callans' delay and hesitation on the road realignment, (which has blocked construction of the school), the school board Monday night filed papers of necessity with the district attorney on two alternate sites—both owned by Callan.

Trustees late last week had their Buildings and Lands Committee, headed by Tom Noonan, size-up two additional sites due to the delay on the much-stymied M. Pauline Brown project. Monday, they followed through and notified the district attorney to begin condemnation proceedings for these sites — one within the proposed 21-acre Callan development and the second on Callan land behind the Serra Theater, bounded by Sullivan, 89th, 91st and Sweetwood.

This action, though perhaps taken in the form of a threat to Callan due to his delay hampering the Brown School, nonetheless was based on factual and practical thinking, according to the school board. Noonan, in particular, said the M. Pauline Brown site was a "poor choice" because of the difficulties encountered, heavy costs and subsequent delays. He also pointed out that the alternate sites—both on Callan property, were better from a student population standpoint and would "give us more level acreage."

Supt. H. Z. Weibel of the elementary district said Callan's reversal Monday night might influence the board to cancel its condemnation action for the two alternate sites. But the veteran administrator also indicated trustees would stand pat to see "if Callan will live up to his agreement with the city."

The school district is ready to build on the Brown site as soon as the portion of old Edgemar road cutting through the school site is abandoned. The district has agreed to provide a temporary road on the westerly boundary of the school site pending completion of the Eastmoor realignment by the Callans.

Callan repeated his charges that Weibel, his staff and the four school trustees were "much in error" in their letters to the city protesting a Callan switch in the realignment route.

Citing letters from soils engineers, young Callan said the route he prefers would not deprive the school site of two acres—as stated by Weibel—but less than one acre. Callan also challenges the district's report on the school's soil compaction specifications.

FRANCIS SAVES BROADMOOR'S POLICE FORCE

Broadmoor residents will not be deprived of their present police protection which was threatened by a bill introduced in the state legislature this session, Assemblyman Louis Francis of San Mateo County declared today.

The measure, AB 1089, introduced by Assemblyman Clark Bradley of Santa Clara County, provides for the dissolution and winding up the affairs of existing police protection districts in California and deletes the authority for the formation and operation of such districts.

The bill was referred to the assembly committee on Municipal and county government, of which Bradley serves as chairman, virtually assuring a "due pass" recommendation by the committee and favorable action on the floor by the assembly.

Shortly after this introduction, Francis held several conferences with the author in an effort to persuade him to either amend or drop his bill in behalf of the citizens of Broadmoor.

Francis argued that the Broadmoor police protection district has been a very successful one with an outstanding record the past eight years since its formation. He told Bradley that the police officials had the full support of Broadmoor's residents who are well satisfied with its present law enforcement services, which they did not enjoy for many years prior to the formation of its police protection district. Francis also stressed other services rendered to the district, such as ambulance, and other community services. He pointed out the low late of juvenile crimes and delinquencies in the district.

The efforts of Francis paid off Monday, when Bradley agreed to drop his bill which he contended to be the result of a long established policy of his committee, which proposes and favors legislation to dissolve unnecessary districts. This decision means that no similar legislation can be proposed for another two years because the deadline for introductions of bills is May 6.

BIG DECISIONS ON MAY 19 HERE

Twelve days from now, Tuesday, May 19, Daly City area residents will flock to the polls in expectedly record numbers to decide school trustee vacancies and whether or not sales tax will be maintained.

Both are critical considerations for the community's immediate future. It behooves all residents interested in the progress and growth of this area to carefully weigh the issues and candidates before casting all-important ballots.

The sales tax outcome is a "crossroads" decision. If the penny levy is voted out by majority rule of the citizenry, the city will be deprived of revenue for capital improvements and the reduction of already heavy property taxes. Without sales tax these new buildings and the holding-the-line policy against tax increases cannot be guaranteed and cannot be immediately realized.

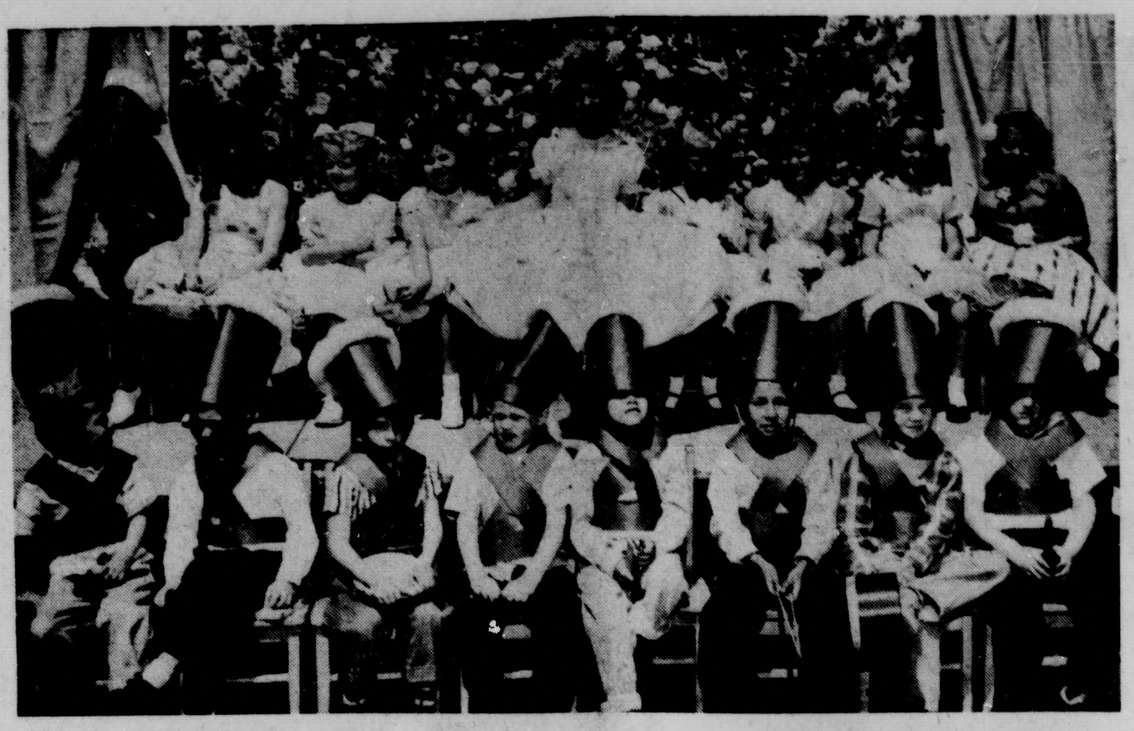
The school board races likewise require deliberate thinking by citizens who want intelligent representation in determining policies and projects.

Of the three candidates for the vast high school district, one is from Pacifica, another from Westlake and the third from the east and older section of Daly City. The board currently contains one man from Pacifica, two persons from Daly City and one from Colma.

The elementary board lineup has two candidates from Westlake and three from the older side of town.

Sectionalism, no doubt, could be a big factor in the final tally of both school races. But neighborhood support isn't the only guide to follow.

The individual—what he stands for and his abilities to do the job best—still is the strongest criterion for voters to consider.



MAY DAY celebration Friday at Colma K-6 School featured square dancing, rhythm band and posture drills. Presiding over the festivities was Gerry Baldassarre (curtsying center) who was crowned queen of the May. Others in the royal family include Kathy French, Carol Alonzo, Barbara Kray, Kathleen Weiler, Lynn Hillman, JoAnn Nano, Kathy Allen, Rhonda Rousar, Tom Kahle, Anthony DiMaggio, Fred Anguiniga, Michael Apodaca, Marc D'Olivo, Michael Trenholm, Steven Camp, Brad Perrone and Victor Zolezzi. KIP Workshop News

Kipstars Darlene Coffin, Donna de la Cerna, Allene Orchard Jr. and adult star Charles Addington (as a clown) led a group of successful performers at the Mizpah mobile rummage sale at Pacifica.

* * *

A sensational new group, The Spinners, composed of Emil Connors, Vernon Ferguson, Alonzo and Frank Watts, are the latest additions to Kip's roster of stars. They are a singing group who were brought to the attention of Mrs. Kay Irvine by Neal Nash, who has done a tremendous one-man job of promoting activities for the young people of Hunter's Point. Nash has joined KIP as an adult member and will be active despite the fact that he is financing and running several Little League teams, basketball teams, raising funds for more equipment and keeping the kids busy in constructive ways.

* * *

Kipstars will be a highlight feature of the Hi-Fi Teen Dance in Daly City, providing more than an hour's entertainment. This is Kip's contribution to a teenage project undertaken by the Hi-Fi Club to raise money for the cancer crusade. Kip is proud to point out that they are practicing what they preach; civic duty, plus a sincere willingness to give their time and services to other teenagers who engage in community service. The dance-project is inspired by Joe Lewkowitz of Daly City. Rich Watso of the DC Recreation Dept. is another adult who is busily engaged in this affair.

* * *

The Kipstars entertained the patients at Letterman Hospital Recreation Hall with a show which earned more enthusiastic praise for them. The Sparklers, the Spinners, Carolyn Sparks, Shirley Jagman, Donna de la Cerna, Darlene Coffin, Al Martinez, Cathy Cubic, Bob Marshall, Betty Molina, Richard Fenn, were the performers.

* * *

Santa Fernandez of Daly City has returned to Kip Workshop in the capacity of stage production assistant.

* * *

Nominated for offices at the last meeting at DC community Center were: president, Pat Murray, Richard Fenn, and Eileen Bunch; vice-president, Phyllis McQuade, Allen Sparks, Donna de la Cerna; sergeant-at-arms, Dick Braan Jr., John La Sota, Bill Thompson. Treasurer and secretary are appointive offices. Nominations will continue and elections held at the May meeting.

* * *

Eileen Bunch of South San Francisco is the new Sunshine chairman. News of births, deaths, weddings, illnesses in Kip families are to be reported to her, JU 8-8453.

Kip welcomes new adult members: Mrs. Altman, Mrs. Oaks, Mr. and Mrs. Vitales, Mrs. Coffin, Mrs. Jagman, and Mrs. Sparks.

Westlake Girl Wounded By BB May Lose Eye

Specialists today are battling to save the left eye of a 12-year-old Westlake girl, wounded accidentally by her classmate Saturday afternoon when the latter mis-aimed a BB gun.

Due for surgery is Marsha Butler, daughter of Mr. and Mrs. George Butler, 851 South Mayfair avenue. She is in Polyclinic Hospital, San Francisco.

According to the victim's mother, Marsha and her Our Lady of Mercy School seventh grade classmate were playing in the basement of the latter's home when the mishap occurred.

The BB pellet entered directly into the center of the girl's left eye. Internal bleeding may have caused permanent damage to the retina. The pellet had not been removed at the time this was written. Doctors believe more than one operation may be required in their attempt to save the eye.

The Butlers have another child, Glenn, 11. He attends St. Emydius School in San Francisco.

TIMES' Circulation Largest Of North County Newspapers

The WESTLAKE TIMES climbed to a new high in controlled circulation last week, distributing 19,500 copies in Northern San Mateo county and portions of San Francisco.

This boost of 1000 in circulation maintains the TIMES as the top controlled circulation medium in Northern San Mateo county.

The TIMES circulation presently covers every home in the following communities: Westlake, Broadmoor, Parkmerced, Pacifica, Winston Manor, Buri Buri, Serra Highlands, Country Club Estates and St. Francis Heights.

In combination with Marchbanks Publications other newspapers, Daly City Shopping News (9500 circulation) and The Record (3000 paid circulation), a total market coverage of 32,000 homes is offered, representing readership of nearly 100,000 persons.

Women's League Sets 'Night' For Trustee Runners

As a service to the voters of Daly City, members of the League of Women Voters of San Francisco who live in Daly City have invited candidates for the Jefferson Elementary and High School District trustee election on May 19 to a candidates' meeting.

The meeting will take place on Thursday evening, May 14, at 8 p.m. in the multi-use room of Benjamin Franklin School, 700 Stewart avenue.

The public is invited to come see and hear the men seeking to represent them in public office. If time permits, written questions may be submitted.

The League of Women Voters is a nationally recognized organization which never endorses or opposes candidates. "Candidates Night" is one of the established traditions of the League. "The purpose of the League of Women Voters of the United States shall be to promote political responsibility through informed and active participation of citizens in government."

Jefferson High Presents Spring Concert Friday

Jefferson High music students will present their annual spring concert in the gym at 8 p.m. this Friday. Admission is 50 cents.

An interesting program of favorite and classical selections is to be rendered by four groups.

First on stage is the 50-member band with "Fantasy for Band," by Erickson; "Andantino," by Lemare; "Narrator," by Buchtel; "New Colonial March," by Hall; "L'Arleesienne Suite," by Bizet; "Wall of Jericho," by Denison and "Jungle Magic," by Walters.

Following that are selections by the 30-voice all girls chorus under the direction of D. Manning.

Then Richard Larsen returns to the podium when he takes the 24-piece orchestra through "Piano Concerto Number 2," by Rachmaninoff; "Trumpet Voluntary," by Prucel; "Minuet in E Flat," by Mozart; and "Park Avenue Phantasy," by Jessel.

After the intermission, the 15-piece dance band takes the stage for selections under the direction of K. Bennett.

Finally, the band returns with a salute to the services; "Concert Overture," by Lillya; "Liberty Bell," by Sousa; "Atlantis Suite," by Safranek; "Old Timer's Waltz," by Lake; "Mountain Echoes," by Frangkiser and the "Music Man Overture," by Willson.

Goodwill Industries Hold Open House At Howard Plant

Goodwill Industries of San Francisco will play host during Goodwill Week, May 3-9, to several organizations at a series of luncheon meetings, Kenneth G. Foster, executive director, announced today.

Among the groups which will be given escorted tours through Goodwill's main plant, 989 Howard street, will be the Exchange Club of San Francisco, the 20-30 Club, and the San Francisco Women's Chamber of Commerce.

The visitors will be given the opportunity to see how physically handicapped men and women are able to hold useful jobs by refurbishing clothing, furniture, toys, appliances and all manner of usable discards contributed by householders.

YOUR CITY SALES TAX AND WHAT IT DOES FOR YOU

* * *

(Another in a series of articles submitted for publication by members of the City Council of Daly City.)

The city of Daly City is enjoying better financial health than she has for years—all because of a local penny sales tax.

In addition, a host of civic improvements have been made possible through sales tax revenues which last year totaled nearly $350,000.

This is evident from a study of the 1958-59 municipal budget.

Among improvements already acquired:

New fire station, water system facilities (including wells, pumps, filtering equipment and meters), corporation yard paying and warehouse, new fire truck, park and recreation facilities, library, water and finance department offices.

Planned for future purchase with sales tax revenues are the following:

Additional fire trucks and equipment, Westmoor Park (on a matching basis with the Jefferson High School District), other water improvements (including increased facilities in the city's older sections), a civic center, with a police station.

Because the penny sales tax has been able to provide for these improvements and reduce property taxes as well, it has received the support of a large group of community leaders.

Headed by Councilmen Joseph Verducci and Frank Pacelli, they are conducting a campaign that will reach every homeowner to tell why the tax should be retained.

Voters will be urged to mark their ballots in favor of the penny tax at a special election May 19.

Because of the proposition's unusual wording, a "no" vote will be for retention of the tax, adopted by the city council just a year ago.

At that time councilmen saw in a local sales tax (already in effect in 90 per cent of California's cities) a quick and economical way to raise revenues for urgently needed civic improvements.

The council also was concerned with the ever-rising property tax and agreed that half the sales tax revenues would be used to bring some relief to the tax-burdened homeowner.

The council's decisions were incorporated into city law. Half of the estimated $350,000 collected went into a special fund for capital improvements; the other half, into the general fund to make possible a 58-cent reduction on each $100 property valuation.

After a year of operating with the tax, the council decided to ask for a public declaration on the issue. Actually, the tax measure can be repealed only by the council itself. But individual councilmen have said they want to abide by the public's wishes.

FOLK DANCERS APLENTY HERE MOTHER'S DAY

If you know how to folk dance, there is always something to do, places to go, interesting people to meet. Right here in Daly City on Mother's Day, this Sunday, there will be a big folk dance at War Memorial Community Center (on Mission Street) from 1:30 to 5 o'clock. Everyone is welcome to dance or to watch.

The dances programmed are evenly divided between beginning, intermediate and advanced.

Bakersfield is preparing to fete 5000 dancers at a Statewide Mardi Gras May 15, 16 and 17. Santa Rosa will host a folk dance in connection with their Rose Festival May 24. On June 7, the Burlingame Festival Association in cooperation with the Peninsula Folk Dance Council will climax Burlingame's week-long exhibitions of arts, crafts, flowers, music and a Sunday parade with a gay and colorful folk dance at the Mills High gymnasium in Millbrae.

An estimated 400 million copies of paper-back books were distributed in the United States in 1958.

SAFETY was enhanced at Thornton School by the gift of this "Save a Child" street sign made by Old Glory V.F.W. Post No. 2044. Accepting in behalf of his schoolmates and teachers is fifth grade class president Don Riggio. The presentation was made by Ray Brulez, quartermaster of the post.

Mock Disaster Evacuation Test At Vista Mar

Cars will be lining up three abreast next Monday morning in a "mock disaster evacuation" drill from Daly City's Vista Mar Elementary School at 11:20 o'clock. Mrs. Ronald Celle, chairman of the civilian defense committee for Vista Mar PTA, announces that over 140 parents have volunteered their cars and services and that instructions have been sent to these persons on procedure to be followed.

Unfortunately, no parents living west of Skyline boulevard can participate in this event, because of crossing the flow of traffic which in time of actuality will be six lanes of automobiles moving southward only. The children of all these families will be evacuated if it has been requested by their parents in cars of the already enlisted volunteers.

There are sufficient cars available to evacuate all the children of Vista Mar to Woodside School as plans have been designated by the Daly City Civil Defense Committee. Because of the time element involved, parents will not be able to wait for their own children, but must take all children on a "first come — first served" basis. No school child will leave the school grounds in this "mock drill," but will line up and vacate the buildings of the school.

Asst. Chief of Police Roy McLaren will be on hand to give his assistance and has arranged for other police officers to direct the flow of traffic at the first drill.

League Of Women Praise Editorial On Trustee Election

Dear Mr. Bradshaw:

Congratulations on your editorial in the April 29 edition of Marchbanks Publications regarding the coming school trustee election. Because, as your publication stated, "voting residents should give each candidate full consideration and not depend on rumors, hearsay and prejudicial publicity blurbs," the League of Women Voters is presenting a "Candidates' Night" on May 14 at Ben Franklin School, 700 Stewart avenue, starting at 8 p.m.

Reunion Is Planned By Jefferson High Grads In '43 Class

Graduates of the January 1943 class of Daly City's Jefferson High School are asked to contact Frank Feno, JU 8-0178, if they are interested in a reunion get-together this year.

Feno will organize a dinner-dance, he said, if response is good enough.

The Town Record

By ROY HURLBERT

Lo and behold, old Beartracks is still going like sixty.

Contrary to earlier reports (even one from the sheriff's office), Henry Mack Jr., always-unemployed local hobo, is much alive and kicking.

Few months back the word was passed that this gent, affectionately known as Beartracks, had died. DC police learned late last week that Mr. Mack is above ground at Agnew.

More rehabilitation for a guy who might hold a national record for drunk arrests.

One of the three candidates for high school trustee (name unmentioned to protect the innocent) claims his rivals haven't even attended one board meeting, thus aren't too familiar with the ropes.

In the five-man elementary district race, one faction is campaigning that the other camp's hopefuls don't own property here and haven't been around too long.

Trustee races are supposed to be non-political. But as we all know—anything is fair in love and war.

Kindergarten Signups Here Next Wednesday

Parents in the Jefferson Elementary School District who have children born on or before December 2, 1954, will have the opportunity to register them for kindergarten on Wednesday, May 13, Superintendent H. Z. Weibel said today.

Kindergarten registration for the 1959-60 school year will be held at Colma K-6, General Pershing, Garden Village, Jefferson, Olympia, Westlake, Woodrow Wilson, Vista Grande, and Vista Mar Schools.

Persons whose last names begin with letters from "A" to "L" will register from 9 to 11 a.m. Last names beginning with letters "M" to "Z" will register from 1 to 3 p.m.

Verification of your child's birth must be made at time of registration with a birth certificate, baptismal certificate, passport or affidavit. Hospital certificates are not acceptable unless the child was born in a federal hospital.

JESD Trustees OK Sabbatical Leave Program

A sabbatical leave program was approved by Jefferson Elementary school board at their regular meeting Thursday night.

This action came after many delays caused by much debate and study of the Jefferson Classroom Teachers Association proposal for a paid travel leave to be given teachers after completion of seven years service in the district.

In its final form, as adopted by the board, the year's leave of absence is hedged with conditions which attempt to give assurance that it will be used constructively from a professional standpoint.

A sabbatical may be used for travel outside of San Mateo County, formal study in an approved program given by an institution of higher learning, approved independent study which bears a relation to the teachers job, or a combination of any of the above.

All applications must be approved by the county superintendent, two trustees, an administrator appointed by the district superintendent, the JCTA Professional Growth and Evaluations Committee and their Education and Professional Standards Committee.

Then the recommendations are submitted to the superintendent for approval by the board.

If they survive that lengthy process a teacher can then go on his year's leave, assuming he has completed seven years of continuous service in the district and has not reached his 62nd birthday.

His rate of pay will be one half the salary which he would have received during that time in the district.

After his return he has to fulfill his written promise to teach at least two more years in the district. If there is a failure to do so then he must re-pay the district all money which he received during his absence.

When he comes back he will be re-instated to a comparable position to the one held at the time the leave was granted.

Two cents on the assessed valuation is being used to set up a fund for the activity.

It was noted that if more teachers than the fund allows for apply for the privilege that a final decision will be in the hands of the investigative committees.

TV and Radio

By Mona Baker

The impact of "live" television was never felt more strongly than recent Friday evening when KPIX - Westinghouse and the San Francisco Medical Society presented a telecast on lung cancer from Stanford Lane Hospital.

At a press conference held at the hospital a week prior to the program, spokesmen for the society said they were cooperating with the presentation because they felt that lives would be saved through better understanding of the subject.

Certainly the telecast, which was extremely well-produced considering the many difficulties of such a project, could not fail to focus attention on health. Television is a most effective means of health education and we think the San Francisco Medical Society shows great vision in bringing programs like these to the American public.

Lectures On Investing Set By Local YWCA

For men and women in North San Mateo County, the YWCA presents "Introduction to Investing," a series of four outstanding lectures by J. Carl Schick, noted Bay Area authority on the investment scene. The lectures, which began May 5, are being held each Tuesday evening at 8 p.m. at War Memorial building, Mission and Alp Streets, Daly City.

On May 12, Schick's subject will be "Sources of Investment Information and Advice." The concluding two lectures will discuss "Popular Stocks—Railroad and Utility Stocks" and "Industrial Securities — the outlook for the Coming Year."

Each session consists of a lecture, coffee break, and question period. The coordinator for the series is Virginia Toney.

Schick is a graduate of the University of California. He has taught security analysis at the University of San Francisco as well as investment courses through adult education in the San Francisco schools. He is a former staff member of the Pacific Coast Exchange, past president of the Security Analysts of San Francisco, and a partner in the firm of Henry F. Swift and Company.

Single lecture admission fee for this course is $1. Further information about the series is available at the YWCA local office, PL 6-7370.

MISS KLINGLER OF JEFF WEDS JAMES P. BELK

Back from a Santa Cruz-Carmel honeymoon are Daly City's Sherill Klingler, Jeff High senior, and James Paul Belk of 179 Sierra Point road, Brisbane.

The couple exchanged vows last month at Assembly of God Church in South San Francisco.

The new bride is the daughter of Mr. and Mrs. John Klingler, 700 Niantic avenue. The benedict's parents are Mr. and Mrs. B. Belk.

James is a graduate of Jefferson High. His best man for the nuptials was Jack F. Klingler, the bride's brother. Maid of honor was Miss Diane Strubel of Midway City.

Special guests included Mrs. Pauline Fritz, San Francisco, grandmother of the bride; Sherill's aunt, Mrs. M. Strubel and her daughters Diane, Arleen and Joanne; Mrs. K. Weise, Sacramento, and Mrs. Mable Blanck of Juneau, Alaska.

Reception following the nuptials was attended by 100 relatives and friends. White decorations and a three-tiered cake

ELEMENTARY DISTRICT

Pioneer Colwell, Newcomer Rizzo Typify Caliber Of Teachers Here

By MEL THAYER

Mrs. Janet Rizzo, second grade teacher at Garden Village School, is the most recent addition to the Jefferson Elementary School District staff. She replaced Mrs. Sharon Guiles in February and has substituted in the district the last three years.

Mrs. Rizzo is a graduate of Humboldt State College and has done graduate work at San Francisco and San Jose State Colleges. Her first teaching assignment was at the Hoopa Indian Reservation in Humboldt County where she taught for two years. She then taught for five years in Scotia and one year in Eureka.

She and her husband, Peter, have two children, John 10, student in the fifth grade at Benjamin Franklin and Jan, 7, first grader at Garden Village School.

Along with other teachers of the district, Mrs. Rizzo and her class are making preparation for Public Schools' Week. The class has completed units of study on the Dairy Farm and Our Mr. Sun. A mural was made to show the whole process of how milk gets from the cow in the pasture to the breakfast table.

Mrs. Hazel Colwell, teaching vice-principal at Vista Grande School, is the district's senior citizen in terms of service. Mrs. Colwell is teaching her 39th year in Jefferson Elementary School District. Two years previous to coming here, she taught in grades one through eight right in a one-room school house at Half Moon Bay.

Mrs. Colwell has taught in the Jefferson, Colma K-6 and Vista Grande schools and was acting principal at Thornton School for a number of years. She has watched the district grow from 2000 pupils to an enrollment of 6574 with a staff of 239.

She stated: "The methods of teaching over the years have greatly improved and children, because they have so much to work with, learn more and learn faster today."

Mrs. Colwell believes that everyone should travel. This has been one of her hobbies through the years and she has visited all states with the exception of Florida and Maine. She has traveled in Mexico, Hawaii, Alaska, Canada, and Europe. At the present time, she is making plans for a summer trip to the south Pacific and will visit Tahiti, New Zealand, Australia, Fiji Islands, Samoa, and Hawaii.

MOVIES FEATURE PTA MEETING AT VISTA MAR

Do you want to see your child in the movies? If you do, don't miss the meeting of the Vista Mar PTA next Tuesday evening, as movies of all the important children's activities of the past school year will be shown as part of the program. The meeting will begin at 7:45 in the multi-use room and will also include the installation of the new officers.

Dee Van Nest, Daly City Parks and Recreation director, will speak about the recreational facilities for all ages that are sponsored by Daly City and the different programs that are concerned with various times of the year.

John Belforte will tell of the summer recreation program for the Colma Recreation Department. A summer recreation program is being planned for the Vista Mar school and Harlan Miller, recreation chairman for the PTA unit, urges all parents to come and learn what is being planned to keep their children occupied during the vacation months.

Mrs. Thomas West, president-elect of Vista Mar PTA, left Tuesday evening to attend the State Convention of Parents and Teachers in Los Angeles.

OLPH Scouts Eye Camporee, Swim Session

May will be a very busy month for Boy Scout Troop 243, sponsored by Our Lady of Perpetual Help Men's Club.

Approximately 30 boys will participate in Lake Merced District's Camporee, camping in the Metson Lake area of Golden Gate Park on Friday night, May 8, and spending the following day in inspections and demonstrating Scout skills. A campfire ceremony will close the affair Saturday night.

On Monday, May 11, the troop will assemble at Jefferson High school in the evening for a swim session in lieu of their regular meeting.

The boys are cramming for advancement and achievement awards which will be made at a Court of Honor on May 23 at OLPH hall. Refreshments will be served after the ceremony.

40 MODEL IN FASHION SHOW OF YWCA HERE

Westlake fashions were highlighted last Saturday afternoon (May 2) when the Young Women's Christian Association, North San Mateo County unit, presented a fashion show, "Fashions and Flowers Galore," as part of Westlake Spring Flower Show week.

Forty lovely models showed ensembles provided by Westlake merchants. A special stage and runway were constructed in the Westlake Shopping Center Mall where the fashion show was held.

Members of the YWCA fashion show planning committee were Mrs. David Schwimmer, chairman, 77 Westdale avenue; Mrs. Pete Knezevich, co-chairman, 29 Seacliff; Mrs. Jack Rauch, 75 Oceanside drive; Mrs. Sam Sklavos, 95 Fairway drive, all of Westlake; Mrs. Edward Raymond, 104 Garden Lane, Mrs. William Hofmann, 1756 Sweetwood drive, both of Colma; Mrs. John Murzi, 1144 Linda Mar boulevard, and Mrs. Bernard Nelson, 1389 Solano drive, both Pacifica, and Miss Patricia Tiggard, YWCA director.

The women and girls who modeled the fashions are all YWCA members and active in YWCA classes and clubs. Those who modeled are: from Daly City, the Mesdames George Boyson, Bill Fox, Richard Fishel, Alfred Marquez, Richard Newton, Gilbert Papazian, Jack Rauch, Albert Saltzman, Walter Saltzman, James Theodorelos, Joseph Vasile, S. J. Stendahl, and Miss Marianne Holden; from Colma, the Mesdames Dean Dewitt, J. McGowan, Jack Pfeiffer, Collins Orton, and Barry Rivett; from Pacifica, the Mesdames Joseph Bush, George Kennison, John Murzi, Bernard Nelson, Albert Tassi, and Arnold Turner; and from San Francisco, Mrs. Arthur Fudem.

Y-Teens modeling teenage fashions were Maryann Ahlborn, Janet Spears, Arlene Stinnette, Lynn Antonio, Betty Cooper, Janet Syr and Marilyn Wagner. The girls all attend Westmoor High School.

Modeling children's clothes were Mary Holt Dewitt, Marilyn Hofmann, Mark Hofmann, Robbi Murzi, Ellen Saltzman, Michelle Raymond, Allyn Rauch, Mindy Rauch, and Cheryl Thomson.

Commentators for the fashion show were Mrs. Bernard Nelson, Mrs. William Hofmann, and Miss Nora Swinger.

LOCAL YOUTHS OPEN SALES ON SCOUT-O-RAMA

Forty-one Cub, Scout and Explorer units from South San Francisco and Broadmoor Village met last week to launch the first stage of Northern California's biggest Boy Scout show—putting the Scout-O-Rama ticket sales program into orbit.

Leo Ryan, South San Francisco, Northern District sales chairman, asked each Cub, Scout and Explorer to invite everyone from these areas to see their portrayal of "Scouting's Orbit" at the San Mateo County Fairgrounds May 22 and 23.

Based on the number of tickets sold, the young men may earn up to 15 personal prizes ranging from a vittle kit or first aid kit to an eight-transistor radio going to the boy selling the greatest number of tickets in the area.

Proceeds from the Scout-O-Rama will be returned to ticket selling units for use in purchasing equipment, providing camping opportunities and other program activities.

THERE OUGHT TO BE A LAW...
against starching every washday
...when just a single starching with new PERMA STARCH lasts thru 8 to 15 washings

Don't be a prisoner to the starch-every-week habit. Use new work-saving Perma Starch. Just one starching with Perma Starch lasts for months, through washing after washing. Irons easier, lets you use a cooler iron. Won't streak dark clothes.

NOW! the only starch that KEEPS CLOTHES FREE FROM BODY ODOR
CONTAINS MIRACLE D.M. 3

Clothes keep exactly the crispness you want. Even a light hanky finish stays in, thru washing after washing.

Even detergents and the hottest water won't wash out Perma Starch. Clothes stay perfectly finished.

Bleach won't remove Perma Starch—it lasts. But you can remove it . . . in a jiffy (instructions on label.)

For light, medium, or heavy starching. Perma Starch is as easy to use as any ordinary liquid starch.

Recommended by Maytag for automatic washers, Perma Starch won't lump, won't clog drain, won't bead sides.

PUBLIC SALE OF ADULTERATED FOOD DRAWS $100 FINE

Dan Radovitch, 6318 Mission street, pled guilty to a charge of offering adulterated food for public sale, last week, in South San Francisco's municipal court.

Judge Charles Becker sentenced him to a $100 fine and one-year probation.

Another disposition involved Jack Frederickson, Long Beach, California, who pled guilty to petty theft. He was charged with stealing money from Gateway Chevrolet here.

He was fined $100 and placed on one-year probation with the condition that he would make restitution in the amount of $152.

Woodrow Wilson PTA Potluck Is Success

The Woodrow Wilson PTA potluck dinner, held April 30, was very successful. Food was supplied by the good cooks in the unit and by local firms. Prizes were donated by top-of-the-hill merchants. Entertainment was put on by the "Sparklers," five-piece combo, and a folk-dancing group from Girl Scout Troop 70, headed by Mrs. Emily Kraus.

Mrs. Mendel Plansky and Mrs. E. D. Mason, co-chairmen, were assisted by members of the executive board.

More Than 5000 Attend Westlake Parish Festival

The Westlake Festival, "Hawaiian Holiday," held in Our Lady of Mercy parish hall this past week end, was hailed a "huge success" not only by the festival directors, members of the OLM Men's and Women's clubs, but the general public as well.

Well over 5000 people attended the big four-day festival which was held to benefit Our Lady of Mercy parish building fund.

"Space does not allow credit to every individual whose participation insured its success," said Frank Clifford, general chairman.

"On behalf of the festival directors, a genuine well done and thank you to all concerned," he declared.

Revolvers Missing From Jeff High Athletic Office

Two revolvers were reported missing from Jefferson High's athletic office yesterday.

One gun is a .32 caliber, blue in color with a pearl handle, while the other is a .38 caliber.

According to Officer Lester Bastedo, it is believed that the hardware was stolen some three weeks ago when unknown culprits broke into Director Mike Orlich's office while the school was closed on a Saturday.

At that time nothing was reported missing, but since then it has been discovered that 25 locks plus the two revolvers, used as starting guns, were taken.

Vista Mar Faculty Lets Parents Watch Students In Class

"What did you learn at school today?" This question, which is asked in countless homes each afternoon, is too often answered "I don't know," or "Nothing."

So that parents could find their own answers to this question, the Vista Mar School faculty conducted demonstrations in various subject areas during Public Schools' Week. Parents were invited at specific times to observe their children being taught actual lessons by their teachers.

Student Council representatives greeted the visitors with information sheets about Vista Mar School. The sheets contined such facts as total school and grade enrollments, number of teachers, number of study trips taken, and the fact that the school has won architectural awards.

Bank America Employees Here Honor Founder

Bank of America staff members in Daly City and Colma honored the memory of the late A. P. Giannini this Wednesday in a brief Founder's Day ceremony marking the 89th anniversary of his birth.

Introduced by Louis Pisani, John Ferrari and Edward King, managers of the Daly City Mission street, Colma and Westlake branches, President S. Clark Beise spoke by recording to the local staff and 24,000 Bankamericans in branches throughout the world.

In his message, Beise recalled Giannini's vision in founding and building the bank. He asked staff members to join in rededicating themselves to maintaining the simple human values which inspired Giannini's banking concepts.

Giannini was born in San Jose on May 6, 1870, and died June 3, 1949. He founded Bank of America in 1904.

ANNIVERSARY TEA, SHOW AT B'MOOR CHURCH

The Broadmoor Presbyterian Church announces a number of special events. This week on Thursday, May 7, from 2 to 4 p.m., an Anniversary Tea will be held, sponsored by the Women's Association commemorating the tenth anniversary of the organization of the local church. Displays of floral decorations and table settings will be featured. All ladies not affiliated with this church are invited to attend along with those who are affiliated.

This Saturday evening, May 9 at 7:30 o'clock, the high school youth will put on a variety show. Church families and friends interested are invited along with the public. Judy Johnson, Gaye Stromgren, Judy Krueger, Mary Fisher, Penny Tweedie, Bob Garretson, Joe Rossio and many others will take part.

Donations will be received to help finance projects the youth are undertaking. Junior high young people will sell homemade candy, popcorn and lemonade. Lynn Jones, Linda Long, Vicky Guz, Janice Garretson, Chuck Suenderman, John Spediacci, Tim Tweedie and others will be junior highers preparing and serving the refreshments.

Another coming event is the dedication of the new sanctuary and educational building addition along with a new stained glass window in the chancel of the church. This special service will be held on Sunday afternoon, May 17 at 3:30. This same Sunday, following the morning service, the cornerstone of the new sanctuary will be laid in an appropriate ceremony.

Since this time is also the tenth anniversary of the organization of this congregation, an anniversary supper will be held on Friday, May 15, with a program to commemorate this period of advance. Herbert C. Tweedie is the pastor of the local church.

Sanitation Board Approves Sewers For Cemetery

Approval for the laying of sewer lines in Olivet Memorial Park was given by the Sanitation District board at their regular meeting Monday.

This action followed a report by J. Jensen, manager of the cemetery, in which he recommended removal of septic tanks and connecting the proposed new system to the one manhole of the district.

It was noted that the park would bear the expense of this operation.

In other action, the board decided to begin a study of their budget Friday night.

Small Boat Ramp Limited To Sixty At Coyote Point

The Coyote Point small boat ramp will be restricted to 60 small boats per day starting this Saturday, May 9.

The first 60 boats to reach the harbor will be allowed to park vehicles, unload their boats, and park their cars and trailers. Until additional small boat ramp facilities are constructed, curtailment to this number will be enforced.

Small boat operators are urged to watch for signs on Peninsula avenue leading to the yacht harbor which will indicate whether there is room for launching, or whether the small boat area has been filled to capacity.

Westlake Sales Office (Church) Has $70 Window Damage

Seven windows were broken Saturday in the Westlake Sales office, soon to be used as a church, located on Skyline and Westmoor drive.

Reverend Irvin Jennings, pastor of the New Methodist Church, reported the vandalism. His estimate of the damage was fixed at $70.

Police investigation found that some unknown juveniles were seen hurling rocks at the building as they rode by on their bikes.

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of San Mateo, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Courthouse, City of Redwood City in said County, California, on TUESDAY the 2nd day of JUNE, 1959, at the hour of 10 o'clock A.M. for the purchase of bonds of JEFFERSON ELEMENTARY School District, of San Mateo County, State of California, more particularly described below:

ISSUE: $80,000.00, 1955 School Bonds, Series G., consisting of 80 bonds of the denomination of $1,000.00 each, numbered G-1 to G-80 inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of $1,486,000.00, of which $203,000, designated Series A, have heretofore been issued and $173,000 are now outstanding; ($241,000, designated Series B have heretofore been issued and $205,000 are now outstanding;)$55,000, designated Series C have heretofore been issued and $45,000 are now outstanding; $290,000 designated Series D have heretofore been issued and $280,000 are now outstanding; $370,000 designated Series E have heretofore been issued and $360,000 are now outstanding; $95,000, designated Series F have heretofore been isued and are now outstanding.

(The remaining $152,000.00 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated will not be offered for sale prior to NOVEMBER 1, 1959.)

DATE: All of said bonds are dated JUNE 1, 1959.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on JUNE 1, 1960, and semi-annually thereafter on DECEMBER 1 and JUNE 1 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/8 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL AMOUNT	MATURITY DATES
$5,000.00	JUNE 1st 1960 to 1975, both inclusive.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Such bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on DECEMBER 7, 1954 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District subject to taxation by said District (except certain intangible personnel property, which is taxable at limited rate), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

Terms of Sale

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON ELEMENTARY School District, of San Mateo County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $5,000.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: APRIL 28, 1959.
JOHN A. BRUNING,
County Clerk and ex-officio Clerk of the Board of Supervisors of San Mateo County, State of California.

ONE of the newest Peninsula schools is St. Veronica's, just west of El Camino Real between Ponderosa road and Country Club drive, South San Francisco. Natural lighting for the eight windowless classrooms, four opening on each side of the sheltered corridor at left, is provided by 64 plastic-domed skylights. Windows at right belong to the cafetorium. Administration offices are adjacent. Building at up left is the parish rectory, completed in June last year.

SOUTH S. F. PARISH

$148,000 St. Veronica's Grammar School Dedication Set This Sunday

The solemn dedication of St. Veronica's Catholic grade school—something different on the Peninsula landscape—this Sunday afternoon May 10, will mark a halfway milestone in the eight-year history of the fast-growing South San Francisco parish.

His Excellency, the Most Rev. Hugh A. Donohue, D. D., V. G., auxiliary bishop of San Francisco, will preside over the ceremonies which will begin at 3 p.m. He will be assisted by the Rev. James D. Halligan, assistant pastor, and the Rev. Norbert W. Feeley and the Rev. Thomas Farrell.

The Rev. Paul P. Coleman, pastor of the parish, will deliver a short speech of welcome. The dedication address will be given by the Rev. Thomas I. Kennedy, principal of Serra High School.

Parishioners and their friends will attend an open house at the school following the dedication services.

When Father Coleman was named pastor of the brand new St. Veronica's parish in October, 1951, he had in his pocket a $62,500 mortgage for 6 1/4 acres of undeveloped property just west of El Camino Real between Ponderosa Road and Country Club drive. His efforts, coupled with those of his parishioners—he calls them his "right and left hands"—have seen the elimination of the original debt, the erection of the temporary church at a cost of $105,000 plus furnishings and interior decoration, a modern rectory, and now the completion of the $148,000 school. The grounds are paved and landscaped.

Still ahead in parish plans are a permanent church and convent. The present church is designed so that it will one day serve as the parish auditorium.

The new Veronica's school presents a pioneering design in school construction by Hewitt C. Wells, San Francisco architect. The unusual design of the school grew out of the need to fit an eight-classroom building with administration offices, a cafeteria and hall into a limited parish budget.

The school has a capacity of 400 students, 50 in each of eight grades. Classes began in September, 1958, with three grades attending fulltime sessions.

The academic program of the school is under the direction of the Sisters of the Holy Infant Jesus whose motherhouse is in Paris, France. Nuns of this order teach at two other schools in the United States, both in California. One, Holy Angels School, Colma, the other, St. John's, Healdsburg.

The first teachers at St. Veronica's are Sister St. Thomas More, third grade; Sister St. Beatrice, second, and a laywoman, Mrs. Robert Brown, first.

Students for the new school will come from among the 1750 families who live in the parish boundaries. The number of families in the parish has more than doubled since the church was dedicated in June, 1953.

Windup Meeting Set By W'lake Catholic Women

To culminate a year of many accomplishments under the leadership of Mrs. Thomas E. Daly, the Westlake Catholic Women will hold their final monthly meeting next Monday, May 11.

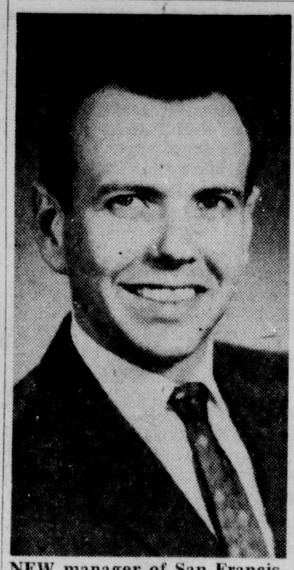
Awaited with great interest will be the report on the "Hawaiian Holiday" which took place last weekend by Mrs. Robert Markey, Chairman of the Festival Committee.

The nominating committee will present their report, following which the selection of officers for the coming year will take place.

Tickets will be available at the meeting for the installation breakfast which will be held at the Olympic Club, Lakeside, on Sunday, May 31. This will bring to a close the activities of the present year and the new officers will formally be installed.

Mrs. Aldo R. Della Santa, assisted by Mrs. Sherrill Houghton, will serve the refreshments at this last meeting as she has done throughout the year.

Mrs. Thomas Nash, chairman of the hospitality committee, will have the Mesdames Raymond Fassler, Howard Quinn, George Sack and Alfred Sontag to assist her in welcoming the new members to the meeting, which will be held in the parish hall immediately following the 8 p.m. devotions to Our Lady of Perpetual Help in the church.



NEW manager of San Francisco Agency of State Mutual Life Assurance Company of America is Daly City's Lewis J. Grasberger, who resides with his wife, Dolores, and two children at 118 Santa Paula drive. An Army vet and graduate of City College of San Francisco, he has been in the insurance business since 1953.

Ernest J. Flink Finishes Training At Camp Pendleton

Pfc. Ernest J. Flink, son of Mr. and Mrs. L. Montgomery of 19 Ocean Grove avenue, Daly City, is scheduled to finish four weeks of individual combat training May 13 at the Marine Corps Base, Camp Pendleton, California.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

The Navy's Cdr. Peary planted the "Stars and Stripes" on the North Pole April 6, 1909, marking the first time in the world's history a living person had stood at the top of the world.

Senior Girl Scouts Fete 'Outgoers,' Welcome Newcomers

Senior Girl Scouts of the North San Mateo Council held a "Senior Farewell and Freshmen Welcome" tea last Sunday, at Martin Elementary School in South San Francisco.

More than 150 Girl Scouts attended the affair which had as its theme, "Make New Friends and Keep The Old."

Chairman of the tea was Fran Robinson, Senior Girl Scout and one the Colorado Round-up selectees for this July 3-12.

The eight Senior Scouts who spoke to the group were: Sally Sloan, narrator; Virginia Delafonte, five-point program; Betty Brown, Senior opportunities; Roxanne Quivey, Senior Service Aids; Kathy Erdman, Mariners; Ann Burke, Wing Scouts; Carol Duke, Mounted Patrol and Ann Mori, Trail Blazers.

Many Girl Scout songs were sung by the group. They were led by Fran Robinson and Marsha Ojakian.

A fruit punch was served for refreshment.

Each year this "tea" is held at the end of the school near graduation time.

All Souls Church Festival Opens Three-Day Run Friday Next Week

Its circus tent decorated with flags and ski equipment, theme of the 1960 Winter Olympics, South San Francisco's All Souls Church Festival opens Friday next week for three days of festivities, May 15-17. Hours are 6 p.m .to midnight on Friday, and opening Saturday and Sunday at noon. A giant children's parade, complete with bands, peanuts and noisemakers, will take place Saturday morning at 10:30 on Grand avenue, ending at Miller and Spruce avenues, the Festival's location. Children will march in costumes, with many on skates or riding decorated bicycles. Any grade school child may be in the parade and prizes will be given for the best costumes. William Borba is parademaster.

Besides loop - the - loop and merry - mix - up rides, children will particularly enjoy the appearance at the record booth of radio and TV star Milt Harris. He will pass out copies of his latest recording.

Sunday dinner will have as its star attraction a delicious barbecued chicken dinner from 1 until 7 p.m. at $1.50 for adults. The refreshment booth will be open every hour, serving hot dogs, coffee, soft drinks as well as peanuts and popcorn for the small-fry. There are 12 booths in all, ranging from the traditional ham and bacon, linen and grocery booths to ring and dart toss, punch bowl and tiger booths for children.

Free tickets will be available to all at the Festival for an hourly presentation of prizes. There is no admittance charge and the public is invited.

The best safety feature in a modern car is a safe driver, according to the National Automobile Club.

California's 1958 avocado crop returned more than $13 million to growers.

Many Events On May Calendar At St. Martin's

St. Martin's Episcopal Church of Daly City will have a busy schedule during the month of May. Two important dates coming up include the Parish Life Conference on May 22, 23 and 24, and adult confirmation on May 31. An important social evening scheduled is a box lunch social under the direction of St. Martin's Men's Club on May 15.

The Parish Life Conference will be held at St. Martin's in Westlake in conjunction with St. Elizabeth's in South San Francisco and St. Edmund's in Pacifica.

On May 31 adult confirmation will be held at the church. Adults to be confirmed are now attending an eight-week short course in Christianity held every Wednesday evening at the church, leading to the sacrament of confirmation.

Other St. Martin organizations holding meetings during May include St. Elizabeth's Guild, St. Mary's Guild, St. Martha's Guild, Park Merced Women's Guild, St. Martin's Choirs, Acolytes, Senior Y.P.F., Junior Y.P.F., Church School Teachers, Men's Club, Altar Guild and Bishop's Committee.

SEE'S CANDY formally opened in Westlake Shopping Center last week. First purchaser was Edward King (left), manager of the Westlake branch of the Bank of America, who presented a box of candy to Mrs. Rudy Richter of the Westlake Merchants Association. With them are Mrs. Janet Kirby, manager of the new See's store; Rudy Richter, vice president of the Westlake Merchants Association, and U. R. Kendree, managing director of Westlake Shopping Center. The opening of See's brings the total number of stores in Westlake to 74.

Consumer Is Protected By New State Law

A bill to protect the consumer from excessive interest charges and other abuses in installment credit selling, sponsored by Assemblyman Louis Francis of San Mateo, has been signed into law by Governor Brown.

The bill, which Francis called "the most important piece of economic legislation considered by the State Legislature in years, probably since the depression," was aimed at installment selling racketeers uncovered by an interim committee study last year.

"It is a clear warning to those who would prey on the buying public in any way that their despicable practices will not be tolerated," Francis said. "It assures the people they will be protected.

"Furthermore, at the same time it guards the consumer, the law by setting up safeguards protects the reputable businessman who never has been a party to the questionable procedures brought to light by the interim study.

"This is a bill that will be welcomed by both the public and the businessman."

Assemblyman Francis said the bill provides that in all credit transactions of $50 or more:

1. There must be a clear warning to the buyer to read the contract.

2. The contract must set forth the cash sale price, down payment, trade-in and other terms.

3. Insurance coverage must be at authorized premium rates.

4. A limit of 5/6 of one per cent on the unpaid balance of items under $1000, with a limit of 2/3 of one per cent on unpaid balance over $1000.

5. Contracts must include provisions for full payment before expiration of contract, with a portion of the financing charge to be refunded.

Wage attachments are prohibited and repossessions limited under the act.

FIRST and second place winners in the American Legion Auxiliary's Post 410 "Birth of American Freedom" essay contest are presented prizes by Mrs. Jean Chauses (left). Next to her, Judith Reginelli received a first place check for $7.50 while Penny Almquist collected the five dollar second prize. Dr. Bernhard Gerdes (right) introduced the winning students to their classmates at Colma Intermediate School, where he is principal.

IHNO JANSSEN JR.

West Portal Lutherans Welcome New Pastor From Minnesota Church

The Rev. Ihno A. Janssen Jr., pastor of Pilgrim Lutheran Church, St. Paul, Minnesota, has been granted his request by that congregation to be released to West Portal Lutheran Church, San Francisco.

IHNO JANSSEN

Pastor Janssen will succeed the late Rev. A. H. Haake, former pastor of West Portal who died last November. The new pastor will be installed at West Portal Lutheran Church, 200 Sloat boulevard, in a special service this Sunday, May 10, at 4 p.m.

Many dignitaries of the California-Nevada District of the Lutheran Church, Missouri Synod, will be present to officially welcome the new pastor. Members of the congregation will also bid him welcome and participate in a reception tea which will be held for the new pastor and his family following the service.

Participating in this special service on May 10 will be the Rev. F. D. Haedecke, Oakland, vice president of the California-Nevada District of the Lutheran Church, and the Rev. F. Jacobsen, pastor of Zion Lutheran Church, San Francisco, and Visitor of the San Francisco Circuit. Pastor Jacobsen will be assisted in the laying on of hands by local Lutheran clergy.

Special music will be sung by the choir of the church under the direction of Vern Liermann. "Every Word and Every Blessing" by Buxdehude has been chosen as the anthem.

Before serving Pilgrim congregation in St. Paul, Janssen served the English District of the Lutheran Church as executive secretary of stewardship and parish education. During this period he traveled over 200,000 miles in most areas of the United States and Canada arranging stewardship and evangelism programs and supervising the Christian Elementary Schools in the English District.

Janssen was graduated from Concordia Seminary, St. Louis, and did graduate work in psychology and education at Washington University, St. Louis; at Temple University, Philadelphia; and at University of Minnesota.

He has also served around the country as lecturer at numerous youth camps and leadership training schools. He has been active in the Lions Club, and also in many other community activities.

Janssen will reside at 200 Sloat boulevard with his wife and three daughters, Judith, Jerolyn, and Janelle.

STATE SETS QUARANTINE ON MUSSELS

The yearly quarantine of mussels for human consumption was declared today as a protection to Californians from the highly toxic poison present in the shellfish during the summer and early autumn, according to Dr. Malcolm H. Merrill, state health director.

The quarantine, established along the entire California coastal shore and including San Francisco Bay, will be in effect to October 31, he reported. Mussels may be used for bait during the quarantine period, but must be broken open and placed in containers plainly marked in big print, "For fish bait only. Unfit for human consumption."

The director also warned Californians to be cautious in the preparation of clams for summer meals during this period. He advised that clams should be cleaned and washed thoroughly before cooking and that all dark parts (where poison concentrates during the quarantine period) should be discarded. Only the white meat should be eaten. In addition, clams should be taken from areas free of sewage contamination.

The poison, found in plankton which serves as food for mussels and clams, is an alkaloid such as strychnine and can prove fatal to persons eating toxic shellfish.

The health officers of the coastal and Bay counties have been instructed to post quarantine warnings covering both mussels and clams.

DC Folk Dance Festival Set By Girl Scouts

Girl Scouts of the Parkview-Sterling Park and Peoria sections of town are planning a Folk Dance Festival, scheduled Saturday, June 6, from 11 to 3, at Marchbanks Park in Daly City.

It will be admission free and the public is invited.

Mrs. June Strong, dance consultant for the folk dances last year, will again assist the Girl Scouts in their presentation.

More than 300 girls in 27 troops will participate.

Mrs. Blanche Button is general chairman. She will be assisted by a committee composed of the Mesdames: Martha Digman, Zella Heneise, Mel Kraus, Connie Nofzinger, Marlene Taylor, and Midge Young.

The Girl Scouts had a practice session Monday at Woodrow Wilson School.

ANOTHER third place winner in the American Legion Auxiliary's Post 410 essay contest, third grader Linda Ponig shows her Americanism certificate prize to Mrs. Ethel Hahn (left), her principal at Woodrow Wilson School, and Mrs. Jean Chauses (center), contest chairman, who made the presentation.

HILLSDALE COOLS JEFF COMEBACK

Ram Nine Snaps Loss Streak To Stay In Running

Law of averages caught up with Daly City's two prep baseball teams Tuesday in the Peninsula League.

After four straight losses, Westmoor's Rams got back in the title chase with a 13-inning, 9-8 win over stubborn San Mateo. Jefferson, on the other hand, after four consecutive victories, was humiliated by Hillsdale's 16 hits and a 13-4 decision.

South City stayed on top by two games (7-2) with a 3-0 nod over Mills. Burlingame nipped Capuchino, 4-3. Tied for second behind SSF are Westmoor, Cap, Burlingame and Hillsdale—each with five games to go in the pennant scramble and owning 5-4 records.

Coach Rod Losberger's Rams have a tough road to hoe if they are to outlast South City. Westmoor travels to Burlingame this Friday, meets South City there Tuesday, hosts Capuchino on May 15, followed by home games here against Hillsdale and Mills.

Jefferson entertains Mills this Friday and San Mateo on Tuesday. Then the Tribe plays Burlingame and Capuchino on the road and ends against South City here.

Unless they completely fold, South City is odds-on to finish with a flurry for the championship. The Industrial City club has good balance and especially tough pitching.

San Mateo outhit Westmoor, 12-9, in Tuesday's marathon contest, the hill win going to reliefer Dick Reese who came on in the seventh for Dave Simons.

Jeff sophomore Don Staff finally hit the skids as Hillsdale erupted for six runs in the fifth inning. Tall Walt Carlson finished on the mound. The Tribe got only six hits off Bill Werner — Jeff's lowest plate response of an otherwise hit-heavy campaign.

CERTAINLY the best performer in Daly City prep track history, Westmoor High's Dave Dunbar is on the eve of breaking the national record in the 880-yard run. Coach Ernie Ribera (above) believes the stout-hearted senior can better the U.S. record of 1:52.3. Dave has run the distance in 1:53.3—fastest in the country this year. THE RECORD photo

Bomar Rewards Bantam League Bowling Stars

Saturday found Buddy Bomar, nationally famous bowling star, at Westlake Bowl to present awards to the winners of the Bantam Leagues which finished last week. Also at the speaker's table were Judge Frank Blum, Ora Mayer, Lloyd F. Brown, manager of the San Francisco branch of the Brunswick-Balke-Collender Company, Jim Tooney, former match game champion, Red Irwin, past president of the American Bowling Congress, Mrs. Moses, coach of one of the Bantam leagues, and Marge Brown, director of women's groups at the Bowl.

Jim Grealish, manager of the Westlake Bowl, acted as master of ceremonies. Winners of the Bantam Leagues championship were The Jugheads under captain John Barsotti, and The Killers, captained by Robbie Holcomb. Other members of the championship teams are Ken Pepi, Walt Baker, Don Costello, David Romero, Michael Walsh, Patrick Walsh, Lloyd Brown, and Gary Markham.

Second places went to the Alley Cats team of Captain David Milton, Jay Hanson, Bill Blum, Rusty Cohen, Harry Sizeland, and Bill Thompson, and the Atom Balls team of Sharon McFadden, Sandy Thiemann, Pam Altman, Maureen Marconi, Gwedette Zanone, and Janet Cyr. Three teams tied for third place, the Pin Knockers, Screaming Eagles, and Westlake Bombers. Individual awards were presented to Bob Grout for high game of 196 and Jamie Moses for being the most consistent bowler, and Lloyd Brown for being the most improved bowler. Bill Blum received the AJBC award for the Over 175 Club by posting a 177 game, while Joanne Pollat received the girls' award for the over 150 Club with a game of 155. Considering the fact that these leagues were composed of boys and girls between the ages of eight and 12, most of whom had never bowled previous to the opening of Westlake Bowl, many of the scores posted during the league play were indicative of the great progress made during a relatively short period of time. Many of the parents of the bowlers were present at the award ceremony after which the group enjoyed cake and ice cream as guests of the Westlake Bowl owner, Johnny Swanson.

The award ceremony for the recently finished Junior League was held at the Bowl last Saturday afternoon with championship trophies going to Bob Scheppler, Bob Crane, Rich Johnson, John Azevedo, Bob Walker and Dave Altoff. Receiving second place trophies were Ken Messenger, Ron Diehl, Frank Oneto, Ted Sawyer, Ed Molise, while trophies for finishing in third place went to Jerry Tissier, Jim Pinelli, Dan O'Connor, Ron Reed and Rich Amstutz. The high series award for the girls went to Sandy Steptlkarch for a 449 three-game series, while the high game contest ended in a three-way tie between Sandy Amstutz, Lynette Fishel, and Martha Yahracks. Coaches awards were presented to Ora Mayer and Rich Dreier, junior league representative of the Bowl.

Trap Shoot Sunday

The Brisbane Rod and Gun Club will hold a ham and bacon trap shoot at the club range this Sunday. Shooting starts at 10:30 a.m.

To reach the range, turn east off Highway 1 opposite the Half Moon Bay airport between Princeton and Montara. The public is invited.

FIVE-WAY MEET

Dunbar Paces Westmoor Thinclads In Warmup Win For League Finals

Westmoor High's varsity track team warmed up for this week's Peninsula League trials and finals on the Ram oval by taking a five-way meet Friday here.

Ernie Ribera's Rams, led by Dave Dunbar's 1:55.5 half mile effort, won the varsity affair with 86½ points. Riordan was next with 61½, followed by Serra with 50½, Jefferson with 26½ and South SF with 21.

Westmoor also captured B Division honors with 85 5/6 points. South City had 63 5/6, Jeff 44, Riordan 33 2/3 and Serra 19 2/3.

Bob Watt's Jeff C's came close but lost out to South San Francisco, 65 to 60½. Riordan was third, Westmoor fourth and Serra last.

Dunbar's wind-slowed 880 and a 4:28 mile by Serra's Bill Yaley were the varsity highlights.

Jed Cyr of the Rams won the 440, Bruce Ryner was third in the half mile, Rich Blakemore and Lanny Buccelli were two-three in the mile. Dan Whitney of Jeff was fourth in this event. Rich Burnham won the 180 high hurdles and took second in the 120 lows. Dave Vogl of Westmoor copped the pole vault with 11-6, and Ram Roger Johnson took the broadjump.

Bill Selmi of Riordan swept the shot and discus with tosses of 54-11 and 151.

Tom Dake, Eddie Berg, Mike Young and Jim Buccelli paced the Ram B's. Jeff's best in this division Friday were Art Bilkey, Al Davila, Joe Vaez, Jim Caruso, Tony Montalvo and Sal Blas.

Soph Ted Marquez won t C division 660 for Jeff and Ro Rivera annexed the broadjum Ray Javier of the Indians w second in the 75-yard dash ar third in the 150.

PITTSON HURLS NO-HITTER IN MIDGET LOOP

The 1959 Midget Baseball League, sponsored by the Daly City Department of Parks and Recreation, got off to a flying start last week with all twelve teams in action.

The league is split into two divisions, an American and a National League, in an effort to balance the clubs according to playing ability.

In the American League the Pomona Giants blanked San Pedro Lunch 7-0. Keith Pittson established himself as a top-notch hurler by tossing a no-hitter against the PAL Yankees as South Sunset Whites won 8-0. Final game in the upper bracket saw Parkmerced defeating Our Lady of Mercy 3-1.

In the National League Broadmoor Youth Association jumped on the Winter Menzies 8-0. Winning pitcher Bill Waite allowed only two hits.

PAL Braves downed the PAL Giants 13-6, while Visitacion defeated the PAL Red Sox 1-0.

STAFF STILL SUPERB

Jeff Baseballers Right In Race With Clutch Win Over Westmoor

Jefferson High's Indians jumped into the thick of the Peninsula League pennant fight Friday with a nerve-splitting 4-3 win over skidding Westmoor in a hometown dandy here.

Sophomore Don Staff's five-hitter dealt the Rams of Rod Losberger their fourth straight loss and gave Steve Mezzera's Injuns the same number of successive wins after a raggedy start.

South City's Bill Dawson blanked Burlingame to keep the Warriors on top by one game over Capuchino and two ahead of Jeff, Westmoor, Mills, Hillsdale and Burlingame. Cap's one-man team, southpaw Darrell Weber, whitewashed San Mateo, 1-0, to put the Mustangs in second place. Weber, who has more offers than Marilyn Monroe, fanned 13 in notching his third straight shutout and fourth win of the campaign. He and Staff are the best in the record books.

Jeff met Hillsdale down south Tuesday while Westmoor played host to basement San Mateo. The Rams missed third sacker Billy Hix again Friday. Except for two hits by first baseman Bill Dougherty, Westmoor didn't muster much of an attack.

Shortstop J. B. Berry's single in the eighth drove in centerfielder Bob Strassburger with the winning run. Leading 1-0 after four, Jeff took a 3-1 margin the fifth on a two-run homer by outfielder Vic Lewkowitz. He got two of Jeff's eight hits off righthander Bob Goodwin. Vic also made some fine catches in windy leftfield.

The Rams sent the contest into extra innings in their sixth with a pair of runs. Staff had trouble with his control in that frame.

This Friday, Mills invades Jeff and Westmoor travels to meet Burlingame. The Indians, with Staff, have the balance to make a good run for the flag. Westmoor is due for a comeback.

South San Francisco, however, still looks mighty strong with ace hurlers Bill Dawson and Dick Vaughn backed by good fielding and plate work.

San Francisco is situated for the most part on the slopes of rolling hills which rise above San Francisco Bay and the Pacific Ocean.

Homer By McHugh, Heick Pace Rams

A 370-foot first inning homer by Tom McHugh and two clutch singles by second baseman Jim Heick (one in the 11th tying the score and again in the 13th winning the game) featured Westmoor's 9-8 triumph over San Mateo here Tuesday.

Missing from the Ram lineup were leftfielder Terry Christman (flu) and pitcher Bob Goodwin (emergency appendectomy operation).

FLYING A JUNIORS LEAD HARDBALL RACE

Westlake Flying A established themselves as loop leaders by virtue of two wins last week in the Daly City Junior Baseball League sponsored by the Department of Parks and Recreation.

Victims of Flying A Wednesday were the PAL Hawkeyes who took it on the chin 17-7. Saturday's action saw Patek-Ecklon falling before an 11-hit onslaught, 20-6. Catcher Spencer Bader led the attack with two home runs.

Pomona Tile Juniors kept their record unblemished by defeating Our Lady of Perpetual Help 4-1.

PAL Indians also remained on the undefeated list as they downed Holy Angels 7-0. Catcher Skip Del Carto blasted a four-bagger for the winners.

Broadmoor Youth Association Giants evened their record at 1-1 by pounding winless Visitacion 13-4.

Evening Sports Increased At Marchbanks Park

Daly City's Department of Parks and Recreation announces that with daylight saving time, it has undertaken an experimental plan of providing evening recreation at Marchbanks Park.

Due to more hours of daylight, the operating time of Marchbanks Park has been extended as follows: Monday, 3:30 to 5 p.m.; Tuesday, Wednesday, Thursday, 4:30 to 8:30 p.m.; Friday 3:30 to 5 p.m., and Saturday and Sunday, 10 a.m. to 4 p.m.

Tuesday night has been designated teen-night, while the adult program is in full swing Thursday night. Volleyball, basketball, softball, and group games of various types are planned to offer a period of fun and relaxation.

The program is under the leadership of Bill Carr of the Department of Parks and Recreation. If enough interest is displayed in evening activities, other recreation sites may eventually adopt an evening program to supplement the regular daytime program.

Swanson's Sets Bowling Classes For Kids 8-18

In an effort to give all the youth of the area an opportunity to learn to bowl, Swanson's Westlake Bowl will commence a series of Saturday morning instruction for those between the ages of eight and 18 years this Saturday, May 9, at 9 o'clock. Instructors will be on hand and there will be movies and discussions in the fundamentals of bowling etiquette, scorekeeping, and bowling principles.

Since many of the boys and girls in the area did not have an opportunity to participate in the American Junior Bowling Congress bowling leagues recently concluded at the Bowl, every Saturday morning between now and June 13 will be reserved for open play and instruction periods. The junior leagues for the summer will start the week of June 15, with the Bantams, ages eight to 11 inclusive, performing on Monday mornings at nine; the intermediates, ages 12 to 14 inclusive, bowling every Wednesday morning at nine, and the Juniors, ages 15 to 18 inclusive, turning to on Fridays at nine. Tuesday at ten will find the Broadmoor Recreation Department taking to the lanes in a continuation of the league recently completed, this time with new teams and members. There will be a Mother and Daughter league at 1 o'clock on Tuesdays and a Mother and Son League at 1 o'clock on Thursdays.

Boys 15 & 16 Sought For DC Baseball League

Daly City Department of Parks and Recreation has put out a call for all teams wishing to enter a baseball league for 15 and 16 year old boys.

Games will be played on Sundays. Anyone wishing to enter the league should call PLaza 5-0850, Extension 18, for further details. Date for a managers' meeting will be set within two weeks.

Adult Twilight Softball Loop Being Organized

An Adult Twilight Softball League is being organized with games scheduled at Garden Village School playground.

Teams entered thus far are the Broadmoor Police, Colma Fire Department, Daly City Post Office, Holy Angel's Men, and the Jeff Elementary teachers. League spokesman John Belforte said a Dads' team and another of high school teachers also are being recruited.

League play begins in about two weeks. Practice games are scheduled first. League action starts at 6:30 p.m. on a one night a week basis—dates to be announced soon.

Pre-Registration For Daly City Summer Day Camp Begins May 19

Pre-registration for the 1959 Summer Day Camp held by the Daly City Department of Parks and Recreation will begin on Tuesday, May 19. Junipero Serra County Park near San Bruno will be the camp site.

Day Camp is open to all children, 8 to 12 years of age inclusive, living in the Daly City, Colma and Broadmoor areas.

Cost per child is $3 for the three-day session.

No registration will be accepted by mail or phone.

Pre-registration runs from Tuesday, May 19 to Friday, May 29. Office hours are from 2 to 5 p.m. at War Memorial Community Center, 144 Hillside boulevard, Daly City.

Silvestri Wins 'Own' Tourney

San Francisco city champ Bob Silvestri of Daly City won the divoteer golf tourney in his honor last Thursday at Silverado Country Club at Napa.

Silvestri shot a two under par 70. Second was Pete Markovich with a 74. Fifty-nine Daly City hackers, all of them friends of Bob, participated in the day-long affair. It started with a breakfast at Westlake Bowl and ended with a dinner at Silverado.

W'moor Frosh In Peninsula Swimming Finals

Freshman Dave Pass of Westmoor, who set a Peninsula League record in the varsity 200-yard freestyle last week in the trials, will be out for a repeat this Friday in the championship meet in San Mateo.

Dave won the 200 event in 2:14.4, nine seconds faster than the previous mark. He also qualified for the 100-yard freestyle finals, finishing fifth last week.

Pass is coached by Tony Giammona and works out at the Olympic Club pool. Westmoor has no swimming tank.

Water Less With Plastic Pots

Demonstrations carried out by University of Connecticut garden specialists with plastic flower pots turned up these useful tips for cutting plant care to a minimum: 1. Plastic pots demand far less watering than common clay pots. In fact, if you water as often as you must with the porous clay containers you will "drown" your plants. 2. Feeding plant food should be cut. The excessive watering required by clay pots tends to wash away about one-half of the fertilizer applied. This washout doesn't take place with plastic pots. 3. They are lighter and easier to move about. Plastic pots remain free from the ugly, unsightly discolorations of salts and algae that make it necessary to replant in new clay pots if the eyesore is to be removed from a room. In addition, plastic pots make desirable interior accessories for they are available in a wide range of shapes, colors and sizes, and can be found to match or complement most drapery and furniture fabrics.
